School Captain in both Institutions

- Actively participated in Extra Curricular Activities
- Speeches, Debates
- Athletics

Short Description

"I think I am the best fit for this internship since I am an excellent multitasker. During my years in college/university, I'd not only spend my time in academics, but I also made it a point to learn things outside the stipulated syllabus, as you can see in my Resume. Since I had to fit so many things on my plate simultaneously to satiate my urge for learning,

Nitin Dwivedi

AS SOFTWARE INTERN

I am a student at MITS Gwalior looking to land an internship in the Software or Electrical field. Currently in 3rd Sem. I'm highly analytical, diligent, and a team player.
